

## ACCESSIBILITY STATEMENT

This website is the property of Marie Adelaide Leprosy Centre. We are committed to ensuring digital accessibility for people with reading disabilities. Our website includes controls for the following:

- Increasing font size and line spacing.
- Re-aligning text to the reader's comfort level.
- Switching from colour to grayscale.
- Adjusting the contrast levels.
- Visibility of the page structure.
- Provision of a reading mask.
- Hiding of images.
- Pausing of animations.
- Highlighting of links.

We are continually improving the user experience for everyone by adhering to the current version of the Web Content Accessibility Guidelines. If you encounter any accessibility barriers on our site, please feel free to contact us.
